

Fire Awareness Training in house 2 hour session

If you are the "Responsible Person" you have a duty to ensure ALL staff are adequately trained in Fire Safety Have you done enough to satisfy Article 21 of the Regulatory Reform (Fire Safety) order 2005 ?

Session Aims

The objective of the session is to give delegates all round knowledge of what to do in the event of a fire

Who should attend?

All persons at work and especially newly appointed staff need to have a basic understanding of fire precautions and the actions to be taken in the event of a fire

What you will learn?

The session will present an insight into fire regulations and general fire precautions and recognizing problem areas

Course content

- Legislation
- Basic fire awareness (Triangle of fire, media for extinguishing fires)
- Responsibilities of all staff regarding fire
- Fire fighting equipment: types, uses & method of use (including practical demonstration and student use if required)
- Action before the alarm sounds
- Action after the alarm sounds
- The importance of maintenance of external/internal exits; staircases; waste management
- Signs and notices
- Alarm panels

Course duration – 2 hour session call for costs

All delegates will receive a certificate of attendance, valid for 3 years

Fire extinguishers are optional to the course but we always strongly recommend that all staff be familiar with equipment
